<Type>
Pale Ale

Japan Origin Quality Bottle Conditioned Ale

Niigata Beer is a Pale Ale having pleasant rich and fruity flavor. This unfiltered ale is fermented both in a fermenting tank and then in a tin by a traditional Bottle-conditioning method making use of malt and hop which are selected and prepared with special care. This ale is full of confidence of the merits in its individuality and has been developed extending over 3 years with a pure heart of the braumeister Ken Usami "How to produce a tasty ale".

Ingredients : malt and hop / Alc.4.5%
Shelf life : 6 months in room temp.
